### GENERAL INFORMATION About United Christian Fund Parties

**THE PURPOSE** - of a United Christian Fund Party is to acquaint your friends, relatives and neighbors with the wonderful UCF program and to enlist them to become committed participants to help UCF. .

#### "Turn Tragedy Into Triumph!"

**THE PRESENTATION** - is a simple matter of seating those attending in full view of your television and showing them the "Introduction To United Christian Fund" video. The Video does the rest.

**THE CLOSE** - After the video is finished simply give each couple (or single) a UCF Enrollment Envelope. Ask them to do all four of these things:

1. Complete the enrollment information on the back of the enrollment envelope.
2. Place a generous contribution in the envelope to defray the cost of enrolling them and to help UCF expand it's membership.
3. Ask those who would agree to host a UCF Party to complete the Notification of United Christian Fund Party & Request For Supplies Form and place it in their enrollment envelope.
4. Seal the envelope and give it to you to be mailed to UCF in a batch.

**THE FINISH** - Using the return label provided with your party supplies, return the Party Check List, the "Introduction To UCF" Video Cassette, all completed Enrollment Envelopes and all unused supplies to UCF.

May God anoint your presentation and your party  
be full of rejoicing that more help is on the way to  
more suffering people.

Thank You For **Helping UCF Grow**
